IN AND FOR THE COUNTY OF MARICOPA**

In re the Matter of the Multi-Page/Document)	Administrative Order
Filing Fee)	No. 2003-106
_____)	

BACKGROUND: On October 22, 2003, the Maricopa County Board of Supervisors approved the Multi-Page/Document Filing Fee for certain Superior Court cases. This fee was established in an effort to require those parties who more heavily use the court system to pay for the services they receive as opposed to requiring all parties for all case types to pay additional fees.

IT IS THEREFORE ORDERED establishing a Multi-Page/Document Filing Fee in Superior Court in Maricopa County effective November 1, 2003. The fee shall only apply to cases filed after November 1, 2003.

1. **Cases Impacted by this Fee:** The Clerk of the Court shall charge each plaintiff and each defendant in all probate, tax, pre-decree family, and civil cases except for complex civil litigation cases a fee of \$100.00 every 25 documents beginning on the 26th filing regardless of the side making the filing. However, each side shall not be charged more than \$1,200.00 every 25 documents. (Plaintiff is one side; Defendant is the other side; an Intervenor is another side, etc.)
2. **Documents Exempt:** The following documents shall not be counted in arriving at 25 documents/filings.
 - Minute Entries
 - Orders signed by the Court
3. **Waivers/Deferrals:** A.R.S. §12-302 is applicable to this fee. The Court may also for good cause shown reduce the fee.

DATED: this 3rd day of November, 2003.
